

Instructions for the Grant Committee of the Polish Zebrafish Society Travel Grant

- Two reviewers will be reviewing the application and provide a score.
- Only the PhD students who will obtain the score equal ≥ 3 from both Reviewers will be considered for the travel grant.
- PhD students who will not obtain the score equal ≥ 3 from at least from one of the Reviewers cannot re-apply the same proposal in the next Travel Grant calls.
- The final score is the mean of two scores from the Reviewers.
- Based on the final score the ranking list will be prepared. Optional: Reviewers supplement their assessment with additional comments for the applicant.
